

What does homeopathy mean to you? Have you or someone you love been helped by homeopathy? Do you make it part of your regular health care system? Is it important to you that homeopathy remain available to you and others across Canada?

If homeopathy is important to you, you will want to know about how **Canadian Society of Homeopaths** is working to establish high standards for qualified homeopathic practitioners; advocating for homeopathy, especially with Health Canada; and sponsoring the **only national homeopathy awareness month** promotion in the world. Read more about us on our website at **www.csoh.ca**.

If you **support our efforts to protect and advance homeopathy in Canada**, please consider becoming a Supporting member of Canadian Society of Homeopaths now. It costs just \$50 per year (or \$40 if paid before the end of 2019). Your Supporting membership will give you an important voice in the future of homeopathy in Canada!
